## Referral Program Refer a Friend and Earn Payback

Dear Student/Parent

Welcome to our referral program for Ryusui-Ryu Martial Art Schools. Bring your friends and family along, as a guest, to try a free session with us and receive rewards for your support. You must be a fully paid up member of the club in order to refer someone onto the Referral Program and be entered into the December draw.

### **How it works**

**Invite your friends or family:** All members of the club can enter a Guest into the program via our Website. Just go to [www.ryusui-ryu.com/studentreferrals](http://www.ryusui-ryu.com/studentreferrals) and complete the Entry Form. You will receive confirmation of their entry. Once entered they will be entitled to a free, no obligation, session at your club.

**Bring your friend along:** Once registered organise a date, with your instructor, for your guest to attend.

**Support your friend:** Come along to the training session with your friend and make them feel at home by introducing them to your fellow students. Explain a little about the etiquette required and what's generally involved in a training session.

**Get your rewards:** You will be entered into the yearly December draw for every Guest who redeems their free session. The more you refer the better your chances of winning. If your guest also participate in the taster course and then go on to become a member, you will also receive a gift voucher to put towards club purchases. Gift vouchers can not be redeemed for cash.

[Your friend will also be entitled to a reward as well if they become a member](#)

## **What to do Next**

Talk to your friends and tell them about our club and the benefits of our training program. Get them to visit our website, and facebook page, for more information about us and what our particular style involves. Once you identify an interested friend or family member complete the details on the website Entry Form. Then arrange a date for them to attend their free sessions at your club; you might want to offer to bring them along and introduce them to everyone.

Once they have had their free session, and wish to attend the taster course, direct them to the website (<https://www.ryusui-ryu.org/taster-course-information-and-booking.html>) so they can register and pay for their taster session.

If they go on to join the club they will be entitled to a 20% discount on their first years membership. You will also receive a £5 gift voucher

### **Help To Support Your Club & Share The Experience**

## **The Rewards - A Summary**

Discounts and rewards for both you and your friend

- All Guest that redeemed their free session will give you an entry into the yearly draw (December) for a prize of a years free membership. So the more you refer the better your chances. The Winner will be issued a membership voucher that they can redeem when they receive their membership renewal reminder.

If your friend or family member goes on to join the club:

- You will receive a £5 gift voucher that can be cashed against membership, seminars, Club T-shirts, badges or private tuition fees.
- In addition your friend or family member will also receive a 20% discount off of their first years membership.

All draw entries and vouchers will expire if your membership lapses

### **Everybody wins**
